

You're Invited!

Introducing our NEW Continuing Education Series!
Cases & Cases

About Cases & Cases: Designed to mix real-world learning with real connections. The evening brings together dental professionals for treatment planning, team growth and a little craft beer on the side.

Hosted by
Dr. Steven Litwin
Worcester Periodontics

Our first lecture in the series.....

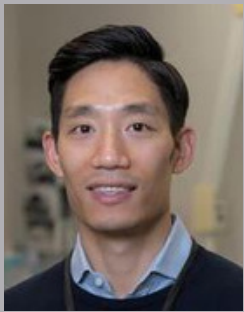

**Optimizing Outcomes for Implant
Therapy in the Esthetic Zone**

Tuesday, October 28, 2025
